

Holiday Spanish

WHY TAKE THIS COURSE?

You should take this course if you are interested in learning Spanish in a friendly and enjoyable way without the pressures of an examination – perhaps if you holiday frequently in Spanish speaking countries or would simply like to learn a new language.

WHAT ARE THE KEY TOPICS IT WILL COVER?

This course covers topics such as ordering food and drink, shopping for food and souvenirs, booking transport and accommodation, asking for directions, finding out opening and closing times and talking about yourself and your family.

WHO WILL THE COURSE SUIT?

This course is meant for people who know little or no Spanish and want to learn enough of the language to 'get by' on holiday, or want an introduction before embarking on a longer course. You must be 19 years old or above to take this course.

IS THERE A QUALIFICATION AT THE END OF THE COURSE?

No. There are no formal assessments but you will each be given an Individual Learning Plan where you will find key objectives for the course. You will be asked if you have any of your own personal learning objectives and your tutor will try to accommodate these topics if at all possible. We will ask you to review your learning to make sure that everything on the course is meeting your expectations.
