

## Watercolour Painting

### **WHY TAKE THIS COURSE?**

Watercolour painting is a satisfying and therapeutic hobby enjoyed by over 2 million people throughout the UK. This leisure activity can be enjoyed and taught to anyone and everyone regardless of what they think their artistic capabilities are.

### **WHAT ARE THE KEY TOPICS IT WILL COVER?**

You will learn the basic methods and techniques involved in producing simple landscape paintings, such as colour mixing, brush control and application, wet in wet and dry brush techniques, monochrome painting and painting with a limited palette. Some of the topics that will be covered include landscape painting with; skies, trees, figures, flowers, water and reflections. You will also get the chance to learn how to paint coastal/beach scenes.

### **WHO WILL THE COURSE SUIT?**

No previous painting experience is necessary as beginners and improving painters are welcome. You must however be 19 years or above to do this course.

### **IS THERE A QUALIFICATION AT THE END OF THE COURSE?**

No. There are no formal assessments but you will be given an Individual Learning Plan and you will find key objectives for the course. You will be asked if you have any of your own personal learning objectives and your tutor will try to accommodate these topics if at all possible. We will ask you to review your learning to make sure that everything on the course is meeting your expectations.
