

The quickest and easiest way to apply is at [www.direct.gov.uk/studentfinance](http://www.direct.gov.uk/studentfinance) and select 'Register and apply for student finance' and fill in the application.

If they're applying for financial support that depends on your household income, you'll also need to register by selecting 'Parents and partners: support an application' and complete this part of the application.

We'll confirm the information you've given us with HMRC and may contact you to send us evidence or further information to support what you've told us.

When we have the completed application, along with any evidence we need, we'll assess how much your child is entitled to and send them a confirmation letter and a declaration to sign and send back to us.

Your child signs the declaration and sends it back to us.

They take the confirmation letter to their university or college when they register

Their university or college tell us that they have registered

We will make the first of three Maintenance Grant and Loan payments to your child's bank account and pay the Tuition Fee Loan directly to their university or college.
